DIGITAL AUDIENCE PROFILE

ADVERTISE WITH ASSEMBLY

ASSEMBLY covers the processes, technologies and strategies for assembling discrete parts into finished products. We write about robots, conveyors, vision systems and other technologies for assembly automation, as well as workstations, power tools and other equipment for manual production. We publish articles on lean manufacturing, screwdriving, riveting, adhesive bonding, welding and other methods for assembling parts.

Alliance for Audited Media has reviewed the BNP Media audience and media management technology platform and Digital Audience Profile reporting solution for conformance to generally accepted information security management and reporting standards.

Our examination was performed in accordance with generally accepted information security management and reporting standards. Our examination included reviews of Platform Technology, Data Life Cycle Management, System Monitoring, Access Controls, Software Development Life Cycle, Media Production, Media Distribution, Audience Data, Documentation, Reporting, and Disclosures. The examination included those procedures we considered necessary in the circumstances to obtain a reasonable basis for rendering our opinion.

Based on our review, we are not aware of any material modifications that should be made to the BNP Media audience and media management platform and Digital Audience Profile reporting solution for recording, processing, and reporting audience and media data.

The accreditation of the BNP Media audience and media management technology platform and Digital Audience Profile reporting solution is as of December 31, 2023.

This report is intended solely for use by the management of BNP Media and its customers.
